**GLOSSARY**

[View Full Glossary](#)

- Curbstoning**  
 A curbstoner is a person who purchases vehicles at volumes that require a dealer license and then poses as a private seller to sell to unsuspecting buyers for a large profit. Curbstoning is illegal in most States. CARFAX analyzes a vehicle's history for specific events to determine if a vehicle is potentially at risk for curbstoning. For instance, a vehicle that has been sold at auction but not issued a new title during a given period of time. Please see the [CARFAX Curbstoning Tips](#) for other ways to identify a potential curbstoner.
- Title Issued**  
 A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
